4 brackets... 5 rounds of voting... which famous building will win?

## Volunteer Party

Our summer volunteers are invited to celebrate all their hard work with snacks, games or maybe a movie. We'll let you decide.

## Love Legos?

### Create your own designs at home.

Download the *LEGO Digital Designer* software for free and you can build anything. It has every possible piece for you to make a virtual model and then create instructions so you can build it for real. Give it a try!

**Programs are for Riverside residents and non-resident  
District 96 & 208 students in 5th grade & up.**
