Helpful Hints:

What is hoopla?

Hoopla is a free, commercial free, audio and video streaming service that enables Riverside Public Library card holders to have instant access to a great selection of movies, television shows, music, audio books, educational & instructional videos, and documentaries for streaming or temporary download. There's no waiting to borrow the title of your choice and hoopla's automatic return feature eliminates any late fees. Content can be enjoyed on smartphones, tablets or computers! Hoopla adds new content weekly.

How do I start using hoopla?

You need a Riverside Public Library card and an Internet connected computer or other device. Streaming digital videos, music and audio books requires a (fast) Internet connection.

How many downloads am I allowed each month?

There is a limit of 3 items per month per patron.

How long do I have access to my downloads?

The access time depends on the content that you downloaded:

- Movie and TV content = 3 days
- Music albums = 7 days
- Audio books = 21 days

Free videos, music & audiobooks

How do I sign up for hoopla?

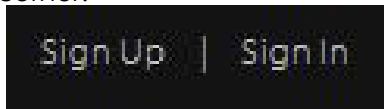

1. Accessing hoopla on a tablet or phone

To access hoopla from a mobile device, you will need to download the FREE hoopla digital app from the App store on your Android or iOS device. Just search for “hoopla digital” to find and download the app.

Accessing hoopla via your Internet Browser

To access hoopla on your computer or laptop within an Internet browser, click on the hoopla digital graphic link on Riverside Library’s web site or just go to **hoopladigital.com**.

2. Once you have downloaded the app to your device, and/or clicked on the hoopla digital link on the web site you will be directed to the hoopla site. Click on **Sign Up**, located in the top right corner.

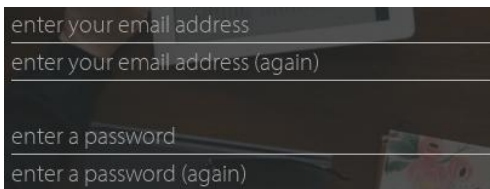

Click **Continue**.
Choose a Library. Select **Riverside Public Library**. If it does not come up, search for it by typing it into the space provided.
Click **Continue**.

3. Creating a New Account

Enter your Riverside Library card number. You do not need to enter a pin number. Click **Continue**.

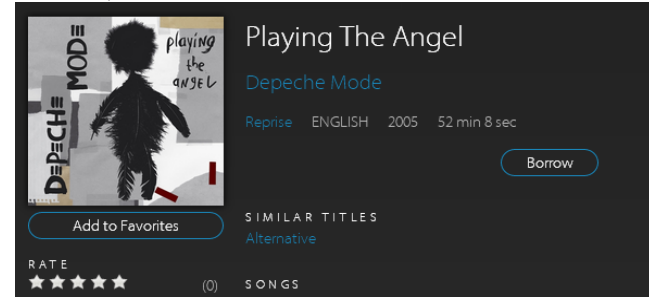

Enter your email address and create your password. With hoopla, simple is better when it comes to passwords, don’t use a password generator. Click **Continue**.

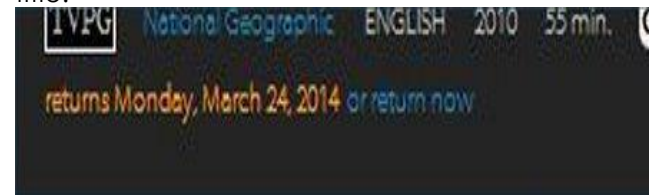

Start browsing by clicking on **Browse Titles**.

4. Start Browsing!

Once you have found a title that you want to borrow, click on it and then click **Borrow**.

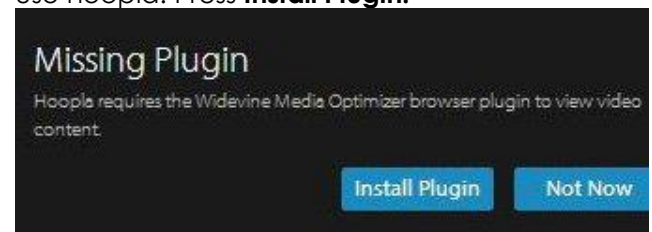

Your return/expiration date will appear under the title in orange. Click **play** to view your selected title.

5. Install Plugin

The window below will pop up the first time you use hoopla. Press **Install Plugin**.

Click **Install Now!** And follow the prompt to complete the installation.
