

What you need

- A Riverside Public Library card. You'll need your PIN and the number on the back of the card.
- An internet connection
- A computer
- A simple Kindle
- An Amazon username and password
- If you don't have Wi-Fi, you'll need a USB cable to transfer your library ebooks to your Kindle.

A note on

Kindle devices

This quick-start guide is for simple Kindle ereaders, including the Kindle Paperwhite, Kindle Voyage, and Kindle Oasis.

Kindle Fire users should refer to the quick-start guide for tablets and smart phones.

My Media Mall

1. In My Media Mall, search or browse for ebooks.
2. Click **borrow**. Navigate to **my account** and then to **loans**. Using the dropdown arrow in the borrow field, select **kindle book**.
3. Select the button that says get **kindle book (from Amazon)**. This will take you to Amazon's website.
4. On the Amazon website, look for the yellow button that says **get library book**. You will be prompted to sign in to your Amazon account if you're not logged in already.
5. Select a device from the **deliver to** drop down menu. The book will transfer to your Kindle.
