

JANUARY – FEBRUARY 2017 PROGRAMMING

at Riverside Public Library

What's Happening in CYS?

At the start of a new year, we in CYS wish to thank everyone for their continuing support. We are always humbled by:

- * the many young children who come to our story-times and programs with their parents and caregivers.
- * the many families who have instilled a love of the library in their children.
- * the many enthusiastic teen summer volunteers who help out every summer.
- * the many students who've found a welcoming space at the library after school.
- * the cooperation and coordination of efforts with our local schools in providing enrichment and curriculum support.

THANK YOU, Riverside!
